

Friends of Combe Valley - Information for members

The objects of the FCV are:

1. To promote the conservation, protection and improvement of the physical and natural environment, including biodiversity.
2. To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

We are involved generally with the whole of the Combe Valley, but in particular with the Combe Valley Countryside Park and more information is available on their website.

<http://combevalleycountrysidepark.com/>

We are volunteers who work in conjunction with Groundwork, who have responsibility for managing the park for the Combe Valley Countryside Park Community Interest Company.

- We work on maintaining the fauna, flora and paths within the park.
- We help run the café in the Discovery Centre and also managing the hiring out of the centre.

We are always looking for volunteers with some time to help up with these tasks but we also welcome anyone who wants to learn more about Combe Valley.

For all members we are planning a number of different activities:

1. Guided walks in the Countryside Park
2. Quiz nights – the last Saturday of the month
3. Talks and walks about Combe Valley – its human and natural history
4. Family events including Nature Detectives
